16 March 2020

Good day Parents and staff,

Thank you for being calm and understanding in this very uncertain time.

School will close on 18 March 2020 at 12:30 for Foundation Phase and 13:30 for Intermediate Phase, we will open on 15 April 2020 (Should this change we will contact you.)

A holiday workbook will be sent home from Grade R - Grade 7 with work which needs to be done daily, this book will be assessed and used for term 2 reports.

Allow for routine at home just as we have routine at school e.g. Wake up at 7am, get dressed and eat breakfast, start school work at 8am, break (play outside for 20 min) wash hands, have a snack, wash hands, start school work again, read for 20 minutes. (Make sure there is time for FUN too.)

We do not want our children to remember this time in a negative light.

Teachers will be available on WhatsApp should you need clarity on any subject or piece of work, please respect this.

This is not an extended holiday, you need to practice self-discipline and contain your family at home, practice hygiene and most importantly have fun with your child. Get back to basics, bake, play board games, test one another's general knowledge, garden, run through the sprinkler ect..

We will continuously share all good education sites and information that we have to stimulate your child, please check Eduadmin, WhatsApp and our website constantly.

TERM 1 reports will be uploaded on 26 March 2020 on Eduadmin (Assessment tab, it has a big green tick) - Please make sure you have the app and it is working. If you do not have it as of yet you need to come to admin before Wednesday 18 March 2020.

School fees are due on the 1st day of every month. Please make sure you make payments on time every month.

Finally, we wish you a very happy holiday, happy Easter and practice kindness.
