26 March 2020

Good morning Parents,

We are very excited to release Term 1 reports today, well done to our students who have performed exceptionally well. We are proud of every single one of you.

Go to assessments to find reports published.

We look forward to starting school on 15 April 2020, this will be virtual assisted classroom with Google until we are allowed back on the premises. Please make sure you have signed up to your teachers Google classroom as soon as possible as we will need to iron out problems before the 15 April 2020 should there be any. Please follow the guidelines from the previous newsletter to set up a conducive and practical working space at home.

At Thorntree we have a one on one meeting with all teachers and head of school in the first few weeks of Term 2 to discuss a progression or intervention program for your child, the Class teacher will confirm the date and time for this meeting, should this need to be a virtual meeting we will organise it on 'Zoom' or 'Google meet'.

Enjoy this time at home with loved ones, we cannot wait to tackle Term 2 with even more challenging and exciting content.

Teachers, I thank you for being open to new challenges and taking them on with true passion and ensuring we make sure the student is at our best interest throughout any difficult decision making.

Warm and SAFE regards during the next 21 days,

Helyn Pope

Head, Thorntree Preparatory School
