Grade 4 - 7	26 August 2020	English	Mathematics
Grade 4 – 7	2 September 2020	Afrikaans	Social Sciences
Grade 4 – 7	9 September 2020	Natural Sciences	Sepedi
Grade 7s Only	16 September 2020	EMS	Technology

The above are scheduled tests that will be administered on Wednesdays (learners and parents will be notified in advance if the test will be moved to another day within the prescribed week)

They are half hour tests testing work covered in the weeks passed since the last test in that subject

The teacher can and may administer other tests during lessons and the learner will be informed accordingly

These will be shorter tests to assess concept understanding, spelling, mental math, etc.

Note that written tests are not the only form of assessment and learners will be assessed in various ways - formally informally, formatively and on various tasks submitted or presented.
