## The Covid - 19 Business

For the past few months and the past 2 terms, we have been dealing with a disease known as Covid - 19 or Coronavirus. At our school, we opened back up halfway through term 2, most children still did online school, which was what we used to do before we came back, but it's not like ordinary school, we need to sanitize, take temperatures, wear masks and social distance.

## Lots of Birthdays

**Lately we have had a lot of birthdays uncueding, Ma'am Nabeela Mallas birthday, Dylan Edwards birthday , Sir Adriaan Bakkers birthday and of course Thorntree Prepotry School. Not all of them had cake and a jumping castle but they were special days for those people and things.**

## School Birthday Celebration

Unfortunately for the first day of the new season it was still cold and it was not a Spring day. So Ma'am Helyn moved the school celebration to the 4th of September. Not a lot of information is known on what is going to happen on the special day but I bet all of us are excited, by the time of this writing it is the day of the celebration! The school overall is about 4 or 5 years old, but the building where our school is located is 2 years old. And I'm sure most of the students can't wait until it's their turn to have fun.
